Winners by design

TWO Ballina Shire businesses have picked up merit awards in the 2007 Mayne Investments Northern Rivers Urban Design Awards.

The awards are held biannually to recognise good and appropriate urban design in the local region.

Of the eight projects awarded, Ballina Shire is home to three – council's Ballina Town Centre DCP, Petrac's 'Community Planning for Pacific Pines' and Swell Property's new arcade 9092 Lennox.
